

North Dakota Department of Health Public Notice Reissue of an NDPDES Permit

Public Notice Date: 8/1/2006

Public Notice Number: ND-2006-033

Purpose of Public Notice

The Department intends to reissue the following North Dakota Pollutant Discharge Elimination System (NDPDES) Discharge Permit under the authority of Section 61-28-04 of the North Dakota Century Code.

Permit Information

Application Date: 4/10/2006

Application Number: ND0025305

Applicant Name: ADM Corn Processing

Mailing Address: PO Box 709, Walhalla, ND 58282

Telephone Number: 701.549.3931

Proposed Permit Expiration Date: 9/30/2011

Facility Description:

This reapplication is for a fuel grade ethanol plant, which produces fuel alcohol. The discharge facility is located in the SE1/4, Section 28, Township 163 North, Range 56 West. Any discharge would be to the Pembina River, a Class IA stream.

Tentative Determinations

Proposed effluent limitations and other permit conditions have been made by the Department. They assure that State Water Quality Standards and applicable provisions of the FWPCA will be protected.

Information Requests and Public Comments

Copies of the application, draft permit, and related documents are available for review. Comments or requests should be directed to the ND Dept of Health, Div of Water Quality, 918 East Divide Ave, Bismarck ND 58501-1947 or by calling 701.328.5210.

All comments received by August 31, 2006 will be considered prior to finalizing the permit. If there is significant interest, a public hearing will be scheduled. Otherwise, the Department will issue the final permit within sixty (60) days of this notice.

North Dakota Department of Health Public Notice

Reissue of an NDPDES Permit

Public Notice Date: 8/1/2006

Public Notice Number: ND-2006-038

Purpose of Public Notice

The Department intends to reissue the following North Dakota Pollutant Discharge Elimination System (NDPDES) Discharge Permit under the authority of Section 61-28-04 of the North Dakota Century Code.

Permit Information

Application Date: 3/10/2006

Application Number: ND0026204

Applicant Name: Associated Potato Growers Drayton
Mailing Address: PO Box 297, Drayton, ND 58225-0297
Telephone Number: 701.454.3910

Proposed Permit Expiration Date: 9/30/2011

Facility Description:

The application is for a potato washing plant. The washwater is contained and stabilized in a holding pond located near the facility in the SW1/4, Section 23, Township 159 North, Range 51 West. Any discharge would be to the road ditch along ND Highway 66, and eventually to the Red River, approximately 1.5 miles east of the facility.

Tentative Determinations

Proposed effluent limitations and other permit conditions have been made by the Department. They assure that State Water Quality Standards and applicable provisions of the FWPCAA will be protected.

Information Requests and Public Comments

Copies of the application, draft permit, and related documents are available for review. Comments or requests should be directed to the ND Dept of Health, Div of Water Quality, 918 East Divide Ave, Bismarck ND 58501-1947 or by calling 701.328.5210.
